

RESUMES BY SUSIE
I GET YOU NOTICED

Susie Parks, BA, BEd

With a combined 15+ years in consulting, executive search, organizational review, leadership development, and recruitment, I bring to the table a level of experience that I know delivers results. But a lot of people may have this experience. What **really sets me apart** is that I actually care about delivering a service and product that makes a difference in your life. I know how to tell people's stories so that employers notice them; this is my competitive edge and I want it to be **your competitive edge**.
